OPT-OUT OF FUNDRAISING PARTICIPATION 2022-23 School Year

Thank you in advance for all you do in support of the SJWO PTO! In order to do all the things that the PTO does for our students, teachers, staff and school each school year, we conduct several fundraisers to raise the funds needed.

This year, these fundraisers will be:

- **MATH MANIA** - \$30 participation minimum *per student* for incentives
- **LITTLE CAESAR'S PIZZA KITS** - this is a great way to have an easy dinner to prepare at home and support the PTO fundraising efforts at the same time
- **DINE TO DONATE** - this is another way to feed your family while being able to spend time with SJWO friends
- **BALL DROP CHANCES** - \$25 participation minimum per student for incentives

***Please sign below stating that you understand that by opting out, you are meeting the **financial** requirement to earn the out of uniform incentives for the students. Your student will still need to do the activity requirements to receive the out of uniform incentive. (i.e. Students are required to do the math pages for Math-Mania)

Parent Signature _____ Date _____

The SJWO PTO tries to limit the number of times we reach out to fundraise during the school year. We are mindful that the generosity of family & friends has a limit. Therefore, we created the option to 'Opt-Out' of the fundraising activities with a one-time fundraising donation.

This is an attempt by us to help simplify your life and provide options. We invite you to make a tax-deductible donation (in addition to your yearly student fees/dues) to the St. James PTO. This way you can opt-out of the fund-raising portion of the PTO fundraisers and rest assured that you have done your part.

What's in it for my family?

- Peace of mind
- Tax deduction
- Meet the qualification to receive the **out of uniform** incentive for Math Mania (as long as math pages are completed.)
- Meet the qualification to receive the **out of uniform** incentive for the ball drop (There will still be other incentives for those who choose to sell tickets in addition to, or instead of this opt-out option)
- Provide financial support to the PTO
